600X1200MM | GLOSSY

Who We Are?

Ceramic blends with innovation,
Innovation in ceramic happens.

We have specialisation in manufacturing high-quality vitrified and wall tiles for every possible architectural, residential and commercial use.

Shreem is one of the leading manufacturers of gvt, pgvt and ceramic body tiles in india. For over a decade now, Shreem has been innovating and manufacturing floor and wall tiles with an aim to excel in the tile field and also to satisfy its ever-increasing client base.

We have installed a production capacity of over 15 million square meters per annum, spread over 2 manufacturing units at morbi, gujarat, india. Our factories are well-equipped with state-of-the-art technology and modernised laboratories to keep us ahead of the curve.

Vision

Always putting the bar high and the dream to achieve them with all the dynamism in designs, we have invested in the latest technology to make SHREEM a top-notch brand in the tile world. We, at SHREEM family promise ourselves to grow, innovate and maintain the quality forever.

Mission

We manufacture wall and floor tiles that rank high on quality and aesthetic value irrespective of the place where they are applied. We are the first choice of residential, commercial and public buildings for indoor and outdoor applications. We forge a long-term partnership with all our clients by providing them excellent service. We keep our ears close to the ground to satisfy the needs of an evolving market.

At Sheerm Vitrified, we are dedicated to crafting exceptional vitrified tiles that elevate living spaces with their unparalleled beauty and durability. Our unwavering commitment to innovation, quality, and sustainability drives us to continuously explore new frontiers in tile manufacturing, ensuring that every product we create is a masterpiece of design and performance.
