Who We Are?

Ceramic blends with innovation,
Innovation in ceramic happens.

We have specialisation in manufacturing high-quality vitrified and wall tiles for every possible architectural, residential and commercial use.

Shreem is one of the leading manufacturers of gvt, pgvt and ceramic body tiles in india. For over a decade now, Shreem has been innovating and manufacturing floor and wall tiles with an aim to excel in the tile field and also to satisfy its ever-increasing client base.

We have installed a production capacity of over 15 million square meters per annum, spread over 2 manufacturing units at morbi, gujarat, india. Our factories are well-equipped with state-of-the-art technology and modernised laboratories to keep us ahead of the curve.

A WIDE INSPIRED SELECTION

An accurate selection of fine marbles that replicates to meet the aesthetic and practical needs of every interior design project: the marbles of classical tradition have always been the protagonists of architecture in warm and cool tones, Italian marbles recognized all over the world for their purity, original colors reinterpreted and proposed in a new perspective.

Carving-effect Stoneware designed to be used on any surface: floors, walls, and architectural volumes. **600x1200MM** formats with a 09 mm thickness are perfect for seamlessly cladding walls, reducing the interruptions and horizontal joints, ensuring an aesthetic continuity between the floor and the wall.

A wide range of decorations enriches and enhances Carving-Effect floor and wall tiles. refined veins decorations and precious effects add value to every application for floors and walls, creating a contrast that brings out the beauty of the material and adds a unique dynamism to the space.
